

# TALENT ENRICHMENT PROGRAM

@ THE STAR FACTORY

Suitable for ages 7 - 15yrs

Program will have 2 levels

---

**THURSDAYS - AFTER SCHOOL  
DURING SCHOOL TERMS**

# TALENT ENRICHMENT PROGRAM

Our revamped enrichment program will offer keen dancers that show potential and a good work ethic the chance to extend their training with open classes focusing on technique, strength, and performance

---

Each week the dancers will attend:

1 x Classical Class

PLUS:

1 x Contemporary Class OR

1 x PBT conditioning class OR

1 x Technique class (focus on turns, leaps, kicks)

PLUS:

1 x Routine Development to be performed at various competitions

Students will work with top teachers and choreographers alongside like minded dancers to help them reach their full potential. This course is designed for committed dancers who wish to extend their dance training. The students still attend all their regular dance classes and on Thursdays come together for extra training.

The cost is \$420 per term (10 week terms in conjunction with normal school terms). Places are strictly limited to ensure the class sizes are small and intimate. Entry is invite only

Students in the extension program will learn small group troupes and classical ensembles to be performed at selected competitions.

Classes will run Thursdays after school

Level 1 (7-11 years) 4.30-6.45pm

Level 2 (10-14years) 5.15-7.30pm
